*Keynote Speaker Nancy Jackson,  
President, American Chemical Society*

*Alice Marcy, President AWIS-PHL chapter,  
Joan Herbers, President AWIS,  
Nancy Jackson, Joanne Gere,  
President AWIS-Central NJ chapter,  
Tom Tritton, President and CEO,  
Chemical Heritage Foundation,  
Lisa Kozlowski, Past President AWIS-PHL chapter*

*Joan Herbers and Nancy Jackson*

*Marielena Mata, Katherine Holloway,  
and Erica Golemis*

## ***Frontiers in Medical Discovery Panel***

**Marielena Mata**

Centocor R&D, Inc.

“Biomarkers in Drug Development-  
Working Towards  
Personalized Medicine”

**M. Katharine Holloway**

Merck Research Laboratories

“Arresting AIDS and Halting Hepatitis C:  
Structure-Based Design of  
Antiviral Therapies”

**Erica A. Golemis**

Fox Chase Cancer Center

“Mining Through Complex Cancer  
Signaling Networks to  
Improve Cancer Therapy”

*Susan Regli, Margaret Gabanyi,  
and Penny Rheingans*

## ***Frontiers in Knowing What We Know Panel***

**Susan Harkness Regli**  
Lockheed Martin Advanced  
Technology Laboratories  
“IDEAS: Interaction Design and  
Engineering  
for Advanced Systems”

**Margaret Gabanyi**  
Rutgers University/Structural Biology  
Knowledgebase and  
RCSB Protein Data Bank  
“Enabling Biology: the Structural  
Biology Knowledgebase”

**Penny Rheingans**  
University of Maryland, Baltimore County  
“Taming the Firehose:  
Using Visualization to Explore Data”

*Attendees take it all in...*

*.....engage panelists, meet new people*
