University of Pennsylvania Women in Chemistry  
Society of Women Engineers (SWE) – PA Section and Drexel Chapter  
Women Chemists Committee (WCC-ACS)  
National Organization of Black Chemists & Chemical Engineers (Del Val-NOBCCHE)

## Directions:

***From downtown Philadelphia:*** take **Schuylkill Expressway westbound**. Take **Lincoln Drive** exit to **Emlen Street**. Turn left. Emlen becomes **Cresheim Valley Drive** after crossing Allens Lane. Continue on Cresheim Valley, cross Germantown Ave., and drive about two blocks more to dead end at **Stenton**. Turn left, one block to **Mermaid Lane**. Turn right, three short blocks to the center. Continue around the building and make a right turn into the back parking lot (just before the park/pond). Park in the first row and enter the building at the double glass doors. You will have to go through security to gain access to the building (R.S.V.P. will be required for security purposes). We will have someone stationed there to let you in and give you directions to our meeting room. If no one is there, use the phone to call 6686 (auditorium).

***From other parts of the Philadelphia area:*** use the **Pennsylvania Turnpike** and **Rte. 309 southbound**. From the **Paper Mill Road** exit ramp, turn right for a short distance to **Cheltenham Ave**. Turn left and continue to **Mermaid Lane**. Turn right and go a few blocks to the center. Take the first left turn after the park/pond into the ERRC back parking lot. Park in the first row and enter the building at the double glass doors. . You will have to go through security to gain access to the building (R.S.V.P. will be required for security purposes). We will have someone stationed there to let you in and give you directions to our meeting room. If no one is there, use the phone to call 6686 (auditorium).
