

Association for Women In Science - Philadelphia Chapter

Special Annual Networking Event

Tuesday, September 23, 2008

From the Laboratory to Leadership: Exploring Professional Development Opportunities

Sponsored by:

Thinking of a role beyond the lab? Explore the opportunities and discover the tools needed to make the move. Join leaders from the Mayes College of Healthcare Business and Policy who will talk about taking on leadership roles. Kick-off the AWIS-PHL 2008-2009 program year, and network with members of other local science-based professional organizations.

**University of the Sciences
McNeil Science and Technology Center
43rd Street and Woodland Avenue
Philadelphia, PA 19104**

- 6-7 pm: Check-in, networking, light hors d'oeuvres
- 7-8 pm: Program: meet the sponsors; hear from the faculty, staff, and students of the Mayes College
- 8-9 pm: Dessert and networking

There is no cost to attend, but registration is required
